

## **About Transition Technologies PSC**

We are experts in digital transformation.

Our knowledge and experience let us spread the idea of constant technological development, as evidenced by 1200 completed projects across the globe.

With more than 900 technology specialists in **IoT, Cloud, Augmented Reality, Machine Learning, Enterprise PLM** and other value chain technologies, TT PSC works with many of the world's most familiar companies to create and implement **solutions that improve the way products are designed, manufactured, operated, and maintained.**

Through offices on three continents, we serve customers in the Automotive, Machinery & Heavy Equipment, Energy, Media & Telecom, Consumer goods, Healthcare & Life Sciences, Software & Technology, Commercial & Prof. Services sectors.

TT PSC is a long-term partner of many multinational corporations (including **PTC, Rockwell Automation, Ansys, Atlassian, Microsoft, Google, AWS, BMC, SaaS and RealWear**), supporting their strategies and business plans with leading technologies and solutions.

TT PSC is a member of the Transition Technologies Group (TT) - a leading IT software and services provider in Poland. For more than 30 years, 2000+ Software Engineers, IT Architects and System Programmers of TT have been providing the world's highest levels of technology solutions and services to customers in the continuous process and discrete manufacturing industry sectors.
